The purpose of the Superior School of Real Estate Ed. LLC is:

- to present courses of instruction that will provide students the basic knowledge and skills necessary to act as real estate brokers and to satisfy the requirements for obtaining and retaining a real estate license.
- to prepare pre-licensing course students for the appropriate NC licensing examinations and to become licensed as a real estate “provisional” broker.
- to offer post-licensing courses needed for provisional brokers to remove the “provisional” status from their license.

COURSE DESCRIPTIONS

Broker Pre-licensing Course

This is an introductory-level real estate principles and practices course with a strong emphasis on real estate brokerage law and practice. The primary objectives of this course are (1) to provide students with the basic knowledge and skills necessary to act as a licensed real estate broker in a manner that protects and serves the public interest, and (2) to prepare students for the real estate license examination.

Major topics addressed in this course include basic real property law, property taxation, land use controls, environmental hazards, brokerage relationships and practices, real estate contracts, real estate financing, closing real estate transactions, real estate valuation, fair housing, landlord and tenant, property management, federal income taxation of real estate, basic house construction, basic real estate investment, North Carolina Real Estate License Law, North Carolina Real Estate Commission Rules, North Carolina Trust Account Guidelines, and agent safety.

The total number of hours for this course, including School examination, is 79 hours. Satisfactory completion of this course will qualify the student to take the real estate license examination.

Broker Post-licensing Education Program

The primary objective of *Postlicensing Education Program* is to provide instruction at a level beyond that provided in the *Broker Prelicensing Course* on topics deemed to be of special importance to licensees.

Per Commission Rule 58A .1902: Provisional Brokers must complete, within three (3) years following initial licensure “a postlicensing education program consisting of ninety (90) hours of classroom instruction in subjects determined by the Commission” [G.S.93A-4(a)1]. The program consists of three 30-hour courses, at least one of which must be completed in each of the first three (3) years following initial licensure in order to retain eligibility to actively engage in real estate brokerage.

The *90-hour Postlicensing Education Program* consists of three 30-hour courses prescribed by the Commission which may be taken in any sequence. However, the Commission recommends the following course number sequence (301, 302, & 303), as course materials were developed with that sequence in mind. When a provisional broker has timely completed all three (3) courses, the provisional status of the broker’s license will be automatically terminated by the Commission.

301 – Broker Relationships and Responsibilities - 30 Hours

Topics addressed in this course include a review of agency relationships in real estate sales transactions and a real estate agent's legal duties to clients and customers, a step-by-step review and discussion of the functions and responsibilities of a real estate agent when working with residential sellers and buyers, a review of issues associated with transactions in progress when an agent leaves a firm, and a review of license status and education issues.

302 – Contracts and Closing - 30 Hours

Topics addressed in this course include selected basic contract law concepts, real estate sales contract preparation, sales contract procedures, buyer's due diligence, closing procedures, Real Estate Settlement Procedures Act, closing statement preparation, contracts for deed, options, and real estate license status and education issues.

303 – Selected Topics - 30 Hours

Topics addressed in this course include commercial real estate brokerage, residential property management, land use controls, loan fraud, brokerage compensation issues, license law issues and case studies, selected fair housing issues and case studies, establishing a brokerage firm, manufactured and modular homes and issues relating to short sales.

ENTRANCE REQUIREMENTS

NO STUDENT SHALL BE DENIED ADMISSION ON THE BASIS OF AGE, SEX, RACE, COLOR, CREED, NATIONAL ORIGIN, RELIGIOUS PREFERENCE, HANDICAPPING CONDITION OR FAMILIAL STATUS.

Broker Pre-licensing Course

Students are not required to have any formal educational background, but a high school diploma or equivalent is strongly recommended. The minimum age requirement for obtaining a real estate license in NC is 18. The course follows a challenging curriculum to prepare licensees for their professional responsibilities and requires good reading comprehension and basic math skills.

Broker Post-licensing Courses

Limited Classroom Hours in any seven-day period.

Superior School of Real Estate Ed. LLC shall not knowingly enroll an individual in a postlicensing course while the individual is taking another post-licensing course at the same school or different school if such enrollment would result in the individual being in class for more than 30 classroom hours in any given seven-day period.

Per Commission Rule 58A .1904, a provisional broker is subject to withdrawal or denial of Postlicensing education credit by the Real Estate Commission if s/he enrolls concurrently in Postlicensing courses (at the same or different schools) that result in the provisional broker being in class for more than 30 classroom hours in any given seven-day period.

SCHOOL INFORMATION

Laptop & Electronic Device Usage Policy:

Laptop computers and wireless electronic devices have become an integral part of modern life. While we are pleased to offer electronic access options, it is our highest priority to ensure that electronic devices and laptop computers are an enhancement and not a distraction to the classroom environment. The guidelines below provide a framework directing the use of laptop computers and electronic devices in our pre-licensing and post-licensing classrooms:

1. Students will need to access the *North Carolina Real Estate Manual* in class by way of printed manual or online access. Any of these methods of access are acceptable so long as they do not disrupt the classroom.
2. We provide free Wi-Fi access at each of our licensing facilities; however, we cannot guarantee that Wi-Fi access will be available 100% of the time. We highly encourage you to purchase either a manual to avoid the unpredictable issues frequently encountered with Wi-Fi access.

3. Instructors will provide power strip outlets for students to use during the class. These power outlets will be located in one area of the room, designated as the “laptop zone.” Power consumption and availability of power outlets in the classroom varies by facility. Power supply for laptops is available on a first-come, first-serve basis.
4. Instructors, at their discretion, will specify when laptops and electronic devices may be used and when they should be put away. These times will be referred to as “Screen Up” and “Screen Down” times.
5. Students who need to use a cell phone (phone call, texting, email, etc.) must do so at one of the course breaks outside of the classroom. All cell phones must be silenced during class time.
6. Visiting social networking sites, checking email, or otherwise performing non-class related activities during class is considered a disruption to the classroom and is not acceptable student conduct.
7. The possession and use of laptops and wireless electronic devices is strictly prohibited during exams or quizzes.

We are not responsible for lost or stolen laptops or electronic devices.

Class schedules, registration information and forms, and general School information are available on our website at www.superiorschoolinc.com and upon request by phone, fax, mail or e-mail.

Student Conduct:

Students are expected to conduct themselves in a manner befitting mature adults. Dress may be comfortable but in good taste. Dismissal without recourse will be imposed for behavior that, in the judgment of the instructor or staff, reflects negatively on the School. Students are not permitted to bring a computer or cell phone to class on the day of their midterm and final exams. Those with a computer or cell phone in their possession on the day of an exam will be asked to leave their devices with the instructor until they have completed the exam. Any use of a device during a midterm or final exam will result in immediate failure and dismissal. The School is required to report students caught cheating to the NC Real Estate Commission.

Visitors/Guests:

Courses at Superior School of Real Estate Ed. LLC are open to enrolled students only. Enrolled students MAY NOT bring visitors or guests to the classroom.

Schedule/Hours/Holidays:
